

This week our core book is "Brown Bear Brown Bear"

Our core song is "It's a Rainbow"

It's A Rainbow

Take a little bit of red (echo),
And a little bit of orange (echo),
Add a stripe of yellow (echo),
And a stripe of green (echo),
A little bit of blue (echo),
A bit of indigo (echo),
Don't forget the violet (echo),
Then what do you know? (echo),
It's a rainbow (echo), It's a rainbow (echo).

A little bit of rain, a little bit of sun,
When they come together they make
rainbow fun.

It's a rainbow (echo),
A wonderful, wonderful, magical, magical,
Colourful, colourful, shining rainbow (echo).

We are learning the following poem,
A Basket of Apples

I've got a basket of apples, picked from a
tree.
Apples rosy red for you, and shiny green for
me.
Some of them are big, and some of them are
small.
Some of them are oval, and some are shaped
like a ball.
Some of them are sour, and some of them
are sweet.
Lots of lovely apples for you and I to eat.

You can help your child by reading with your child every day, singing our core rhyme together, and reciting and acting out the poem.

Makaton

We are learning these Makaton signs:

Hello

Goodbye

Good morning

More

Feelings

Children express their feelings in different ways. We are supporting children to name their feelings and talk about them.

FEELINGS

Family

We are talking about who is in our family. Can you talk about family members with your child? Maybe look at photos of your family. You can send your child's key person photos of family members for them to show their friends.

Counting

It is fun to count in every day situations, for example, counting steps or buses in the road.

What could you count?

What number songs do you know?
