Our core book is 'The Colour Monster Goes To School'

Join in with our core song with actions:

How d'you do there?

How do you do? (jazz hands)

We are learning the following poem:

Five Little Peas

Five little peas in a pea pod pressed,

One grew, two grew,

And so did all the rest.

They grew, and they grew,

And they did not stop,

Until one day the pod went POP!

You can help your child by reading with your child every day, singing our core song together, and reciting and acting out the poem.

Makaton

We are learning these Makaton signs:

Happy

Sad

Excited

Worried

Butterflies

There are many wonderful butterflies (and moths) around at the moment making the most of the sunshine and the flowers. Why not join in The Big Butterfly Count 2026 from 17th July to 9th August.

For this citizen science project, you will need a butterfly identification sheet and 15 minutes to record all the butterflies you see. You can add your results to the Butterfly Conservation website or app. To find out all you need to know, please visit:

Transitions

It is a time of change for lots of children. Some children are leaving Nursery to start Primary School. Some children are staying at Nursery for another year, although their friends may be moving on and there will be new friends coming.

How did you feel when you first started Nursery? How have you changed since you started Nursery? What can you do now that you couldn't do when you were younger? What are your favourite memories of being at Nursery?

Make Your Own Healthy Snacks

We are planning to make our own healthy snacks at nursery including potato salad with potatoes and herbs from the garden, and pizzas topped with fresh ingredients.

How to make quick, healthy pizzas:

Ingredients

1 pitta bread

1 tablespoon of tomato puree

1 tablespoon of grated cheese

Toppings of your choice: sweetcorn, peppers, tomatoes, onions, etc

Method

1. Grill your pitta bread on one side.

2. Spread tomato puree on the other side.

3. Add the cheese and other toppings.

4. Grill until cheese is bubbling.

Enjoy your tasty snack!
